

PRESS RELEASE

ECOTEC APPOINTS NEW DIRECTOR FOR ENERGY & CLIMATE CHANGE

February 2010

ECOTEC has appointed **Dan Staniaszek** as Director for the expanding Energy & Climate Change business unit. Dan has a strong background in environmental sustainability, built up over a 23-year career in the public, private and non-profit sector, including over 10 years in senior leadership positions. He has designed, directed and evaluated numerous initiatives at the local, regional and national level, including the original design of what are now flagship low carbon policies – the Renewables Obligation, and the Carbon Emission Reduction Target.

As lead author of the demand management sections of the 2003 Energy White Paper, Dan has been instrumental in influencing and developing Government energy policy.
